The European education fair “Open Doors for education abroad” is taking place every year at the Radisson Blu Grand hotel in Sofia.

Using the experience in the field of the consultant services for education abroad we could've organize the most successful international fair in Bulgaria in the past years.

At the fair in January 2009 was presented the full list of elite boarding schools, universities and language centers. The good academic preparation is the base of the possibility for access at one of the most prestigious education institutions worldwide.

The EU participation of Bulgaria created to the young people in Bulgaria the opportunities for education outside Bulgaria in all the EU countries. The lower tuition fees, student's loans and financial aids also the opportunities for transfers were the reasons for the big interest to the previous edition of the fair.

The active search of education programmes abroad had provoked us in 2009 to organize the fair in two of the biggest Bulgarian cities – Sofia and Varna.

Participant at the event were: : IHTTI, Istituto Marangoni, Istituto Europeo di Design, University of Bedfordshire, Middlesex University, Southampton Solent Univeristy, AUBG, European University Cyprus, Global International Aliance – Alpine Centre, Tech Music Schools, Brooke House College, Institut auf dem Rosenberg, Regent Language Training, Emerald Cultural Institute, Skola, St. Giles, etc.
