On **October 22nd**, at Radisson Blu Grand hotel took place the first specialized Open Doors fair for boarding schools. The fair was designed for parents, who have the ambition to find the best possible education option for their children, to give them the base for future career development after graduation of University.

During the Open Doors fair for boarding schools all the visitors had the opportunity to find out detailed information about the application process at elite boarding schools in the UK and USA, as well as the special scholarships that Darbi's partners give for the Bulgarian student. The available scholarships could reach even 100% of the school fees.

The initiative to organize specialized exhibition for secondary education had risen up from the interest of the Bulgarian parents who have started to realize that the good preparation during the secondary education is as important as the University education.

The next Open Doors fair for boarding schools will be in October 2012.
